80w - 120w - 150w - 200w

BUILT TO LAST

Rapid LED APOLLO Hi Bays offer an IP65 Weatherproof Rating and the aluminium alloy housing boasts a tough IK08 Impact Rating - making the fittings an ideal choice for indoor or outdoor applications.

THE INTELLIGENT SOLUTION

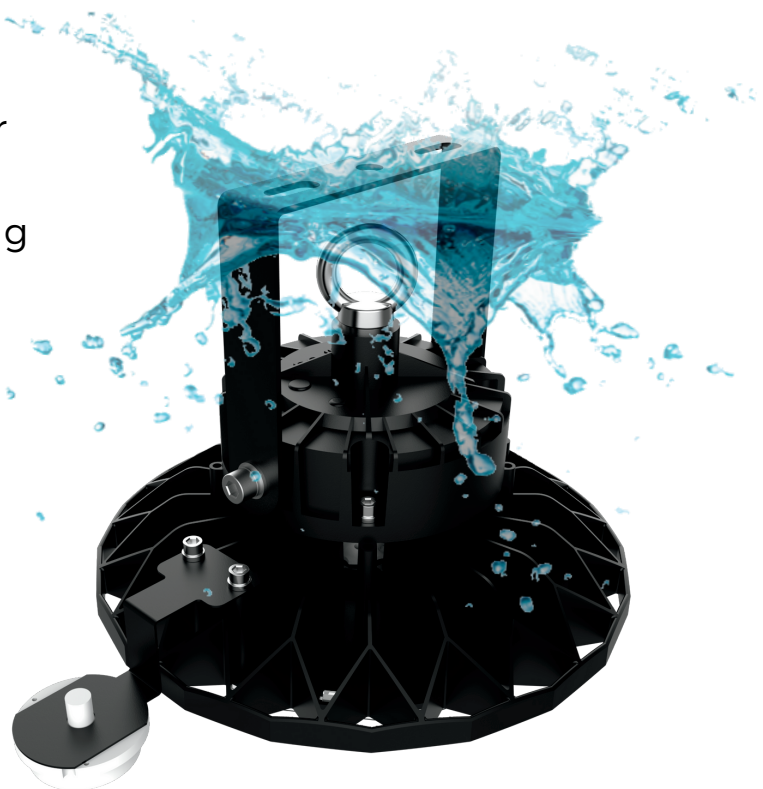

The APOLLO range of Rapid LED Hi Bay's punches out an impressive 170Lm/W, with the 200w fitting reaching a 34,000Lm output.

The APOLLO series is capable of intelligent control, DALI dimming & sensor options - all available upon request.

ADDITIONAL OPTIONS

Multiple mounting options including Adjustable Brackets plus a Reflector & Lens package to suit the entire APOLLO collection.

Quality assurance confidently backed by a comprehensive 5 Year Warranty
